Dear Blue Devil Supporter,

I hope this letter finds you doing well. We are preparing for another year of Blue Devil basketball and that means it is about time for our annual golf outing. The past couple of years we have had around 96 people participate and with your help we were able to make the event a success.

This year we are reaching out to past sponsors. You have continued to show support and we appreciate. Our golf outing is scheduled for October 6th and will be held at Westview Golf Course here in Quincy. All of those participating in the event will receive a \$25.00 gift card from the Quincy Food and Fun Team, a pocket schedule of games given by AK Electric and a list of all of those who have sponsored the outing. It has always been our goal to create an event that is top-notch that gives fans of the program an opportunity to gather together.

Last year we raised enough money to give kids a scholarship to participate in the Lil' Devils Basketball Association, help purchase traveling equipment for the team as well as other things throughout the season. This year we are looking to update our technology, add flooring in the locker room and much more.

This is one of the most storied programs in the state for a reason. We continue to gain the support of this great community. If you would be willing to continue the support of our golf outing we would appreciate it. Attached is a form to be a hole sponsor this year. One of our committee members will also be contacting you soon. Every little bit helps.

Sincerely,

Andy Douglas
